1	Project Development Plan	01/24/2025	04/20/2025
2	Planning	01/24/2025	02/02/2025
3	Research about SDLC	01/24/2025	01/25/2025
4	Prospecting of potential clients	02/01/2025	02/02/2025
5	Requirement Analysis	02/03/2025	02/09/2025
6	Creating project development plan	02/03/2025	02/04/2025
7	Creating Free Inform Consent and creating weekly reports and needed documents	02/08/2025	02/09/2025
8	System Design	02/10/2025	02/16/2025
9	Conceptualizing system layout	02/10/2025	02/11/2025
10	Designing in figma	02/11/2025	02/12/2025
11	Refining in figma	02/13/2025	02/14/2025
12	Finalizing in figma	02/14/2025	02/15/2025
13	Creating weekly reports and needed documents	02/15/2025	02/16/2025
14	Development	02/17/2025	03/23/2025
15	Coding of the system: initial setup and architecture	02/17/2025	02/18/2025
16	Coding of the system: set up the project environment and define system architecture	02/20/2025	02/21/2025
17	Creating weekly reports and needed documents	02/22/2025	02/23/2025
18	Coding of the system: Database design and integration	02/24/2025	02/25/2025
19	Coding of the system: design database schema and set up database connection	02/27/2025	02/28/2025
20	Creating weekly reports and needed documents	03/01/2025	03/02/2025
21	Coding of the system: backend development	03/03/2025	03/04/2025
22	Coding of the system: develop API endpoints and set up user authentication	03/06/2025	03/07/2025
23	Creating weekly reports and needed documents	03/08/2025	03/09/2025
24	Coding of the system: frontend development	03/10/2025	03/11/2025
25	Coding of the system: implement dynamic features and style components	03/13/2025	03/14/2025
26	Creating weekly reports and needed documents	03/15/2025	03/16/2025
27	Coding of the system: UI & UX enhancements	03/17/2025	03/18/2025
28	Coding of the system: improve UI design, add interactivity, optimize responsive design, accessibility improvements	03/20/2025	03/21/2025
29	Creating weekly reports and needed documents	03/22/2025	03/23/2025
30	Testing	03/24/2025	04/06/2025
31	Testing and debugging	03/24/2025	03/25/2025
32	Testing and debugging: backend testing, frontend testing, cross-browser testing	03/27/2025	03/28/2025
33	Creating weekly reports and needed documents	03/29/2025	03/30/2025
34	Testing and debugging	03/31/2025	04/01/2025
35	Testing and debugging: backend testing, frontend testing, cross-browser testing	04/04/2025	04/05/2025
36	Creating weekly reports and needed documents	04/05/2025	04/06/2025
37	Deployment	04/07/2025	04/20/2025
38	Deployment preparation	04/07/2025	04/08/2025
39	Deployment preparation: prepare for deployment, set up CI/CD pipelines, deploy backend and frontend	04/10/2025	04/11/2025
40	Creating weekly reports and needed documents	04/12/2025	04/13/2025
41	Test the live site	04/14/2025	04/15/2025
42	Check server logs, launch	04/17/2025	04/18/2025
43	Creating weekly reports and finalizing documentations	04/19/2025	04/20/2025
